

The Boating School is a concept designed to let children explore the adventure of being boat captains and learn how to drive a boat and operate safely in a water environment. The boating concept is designed exclusively for the commercial market, theme parks and leisure attractions.

Versatile

Stable safe boat with good steering control that is easy to maneuver. Good for two passengers and can be operated in either an open water area or track. Weather-proof all season entertainment for children as well as adults. A great attraction already delivered to major theme parks and medium-sized amusement parks in many countries across the globe.

Reliable

Low maintenance boats with up to 8 hours of continuous use. Silent engine, impact resistant body, and safety certified according to world-wide standards.
