

These miniature Racing cars give children a chance to race against each other, having fun, while being competitive. A well designed track such as a loop can add to the racing experience. Theming can be added together with spectators area where parents can cheer their children as the race. and the children will experience a memory to treasure.

Reliable

Low maintenance vehicles with up to 10 hours of continuous use. Silent engine, impact resistant body, and safety certified according to world-wide standards.
